

Vermont Household Health Insurance Survey
Vermont Department of Health
Data Compendium - July, 2018

This data compendium contains results for this study broken out by key sub-categories.

Click on a question to view the associated data. Click on link labeled "Table of Contents" found on the top of any data tab to return to this sheet.

Variable	Question
Health Literacy	
nhl1a	When using your health insurance plan, did you look into what your health plan would and would not cover?
nhl1c	When using your health insurance plan, find out if a doctor or health care provider is in-network?
nhl1d	When using your health insurance plan, did you look into how much you might have to pay for prescription drugs?
Insurance Coverage	
insure	Primary Type of Insurance Coverage
insure1	Primary Insurance Coverage - Medicaid as Primary Payer
inspriv	Is person covered by private health insurance?
INSMCARE	Is person covered by Medicare?
INSMCALL	Is person covered by Medicaid or Dr. Dynasaur?
insdual	Is person dually covered by Medicare and Medicaid?
INSMIL	Is person covered by military insurance?
insnone	Is person uninsured?
Underinsurance	
underinsflga	COMMONWEALTH MODEL: Is person underinsured?
underinsuranceflg	MDR MODEL: Is person underinsured?
Private Insurance	
npoltype	Type of private health insurance policy
ninsp30	Can dependents be covered under person's health insurance?
ninsp06	Is person's health insurance through person's or someone else's work, union, association, or trust?
ninsp09	Is person's insurance provided through...
ninsp09source	Source of Private Health Insurance
INSVTHC	Did you get your insurance through Vermont Health Connect?
ninsp09a	What type of Exchange plan is this? Is it a bronze, silver, gold, or platinum plan?
ninsp60	Did person receive financial assistance or tax credits to help pay for the health insurance plan person purchased through Vermont Health Connect?
ninsp12	Does person's health insurance plan cover at least some of the costs of prescription drugs?
ninsp20cat	What is the monthly premium paid for person's health insurance?
ninsp25cat	What is the annual deductible for person's health insurance?
ninsp29	Does person have a Health Savings Account or HSA?
ninsp29acat	How much did person contribute to their HSA account during the past 12 months?
ninsp29bcacat	How much did person's employer contribute to their HSA account during the past 12 months?
npsat01	How would you rate the choice of health care providers available under this private coverage?
npsat02	How would you rate the range of services covered under this private coverage?
npsat03	How would you rate the quality of care available under this private coverage?
Medicare Supplements	
MCSUPP	Does person 65 and older have a Medicare supplement?
nins05	Does person have a private Medicare supplement or Medicare Advantage Plan?
Medicaid	
nc39	Is person receiving benefits from SSI?
MC16CAT	How long has person had health insurance through the Medicaid program?
mcsat01	How would you rate the choice of health care providers available under Medicaid?
mcsat02	How would you rate the range of services covered under Medicaid?
mcsat03	How would you rate the quality of care available under Medicaid?
mcsat05	Compared to last year have there been changes in the coverage provided by Medicaid or Dr. Dynasaur that limited which health care providers you could see for care?
omcsat05	Compared to last year what types of changes in the coverage provided by Medicaid or Dr. Dynasaur have limited which health care providers you could see for care?
The Uninsured	
ninsu01c	How long has person been without health insurance coverage?
insu02	How does cost rate as the reason why person is not currently covered by insurance?
insu03	What are the main reasons that person is not currently covered by any type of health insurance?
insu03a	Reason person is uninsured - a member of the family lost their job.
insu03b	Reason person is uninsured - a member of the family is no longer eligible for insurance through employer because of a reduction in hours worked.
insu03c	Reason person is uninsured - an employer stopped offering health insurance coverage to a family member.
insu03d	Reason person is uninsured - our family could no longer afford the cost of the premiums for health insurance through an employer.
insu03e	Reason person is uninsured - person lost or became ineligible for Medicaid or Dr. Dynasaur.
insu03g	Reason person is uninsured - person is not interested in insurance.
ninsu05	Thinking back to the last time person had health insurance, what type of insurance did person have?
ins03a1	Does anyone else pay for person's bills when they go to a doctor or hospital?

Interest in State Insurance Programs	
mca04	What are the reasons uninsured HH members have not enrolled in state sponsored health insurance?
insu09	How interested would you or others in your household be in enrolling in state health insurance programs?
chins04a	Reason have chosen not to enroll in Green Mountain Care - I don't think we would be eligible for it because our employer offers health insurance.
chins04b	Reason have chosen not to enroll in Green Mountain Care - I don't think we would be eligible because my household makes too much money.
chins04c	Reason have chosen not to enroll in Green Mountain Care - We would be concerned about being able to see the doctors or health care providers I want to.
chins04d	Reason have chosen not to enroll in Green Mountain Care - Our household wouldn't want to be receiving government assistance.
chins04e	Reason have chosen not to enroll in Green Mountain Care - The uninsured members of our household don't really need health insurance coverage.
chins04g	Reason have chosen not to enroll in Green Mountain Care - Our household would worry that the costs would be too high.
chins04h	Reason have chosen not to enroll in Green Mountain Care - I would be concerned about the quality of care
chins04i	Reason have chosen not to enroll in Green Mountain Care - I would be concerned health professionals would treat my family differently
insu21	At any time during the prior 12 months, did any of the uninsured members of your household apply for health insurance coverage through Green Mountain care, Vermont Health Connect, or some other way?
insu22	Did the uninsured members of the household apply for...
insu23	What happened with the application?
eligadult	Eligibility for Medicaid or Subsidies through the Exchange Among Uninsured Adults 19 - 64
eligkid	Eligibility for Medicaid or Subsidies through the Exchange Among Uninsured Children 0 - 18
Gaps in Coverage	
ninsw01	Was person without insurance at some time during the past 12 months?
ninsw02c	For how long was person without health insurance coverage?
insw03	Can you please tell me the main reasons that person did not have health insurance at that time?
ninsw04c	How long has person been covered under their current health insurance?
ninsw05	What type of health insurance coverage did person have prior to their current coverage?
insw06	Why did person change health insurance coverage?
insw07	During the gap in coverage did person think about or apply for Medicaid?
insw08	Was person covered under the same health insurance plan 12 months or one year ago?
insw09	What type of health insurance did person have one year ago?
NINSL0	Are you concerned that person may lose health insurance coverage within the next 12 months?
inslo21	What are the reasons that there is a risk for losing health insurance coverage within the next 12 months?
Dental and Vision Insurance	
ninsd01	Does person have any kind of insurance coverage that pays for dental care?
insd02	Is person's dental coverage provided through...
ninsd04	Has person been without dental insurance coverage at any time during the past 12 months?
insd05	About how long has it been since person last received any type of preventive dental care?
insd06	What is the primary reason person has not visited the dentist within the past 12 months?
insd07	About how long has it been since person last received care to treat a specific dental problem or concern?
ninsv01	Is person covered by an insurance plan that pays for routine vision care?
insv02	Is person's vision care coverage provided through...
ninsv04	Has person been without vision coverage at any time during the past 12 months?
Doctors Visits and Accessing Care	
ndocv01c	How many times did person see a doctor or health care provider during the past 12 months?
ndocv02c	How many times did person see a doctor or health care provider for strictly routine check-ups or preventive care during the past 12 months?
ndocv02ac	How many times did person see a specialist during the past 12 months?
ndocv04	What kind does person usually go to when sick or in need of medical attention?
ndocv06	What kind of place do household members usually go to when they need routine or preventive care, such as a regular check-up?
ndocv20nc	How long does it usually take to travel to the person's usual place for routine medical care (or if someone needed urgent care to the nearest provider)?
NDOCV12	During the past 12 months, did person seek medical care in a hospital emergency room?
ndocv12ac	In the past 12 months, how many times did person receive care in a hospital emergency room?
ndocv1311	Did person visit the emergency room because they were so ill or injured that they needed immediate medical attention?
ndocv1312	Did person visit the emergency room because they needed care after normal hours at the doctor's office or clinic?
ndocv1313	Did person visit the emergency room because the family owed money to the doctor's office or clinic?
ndocv1314	Did person visit the emergency room because it was more convenient to go to the hospital emergency room?
ndocv1315	Did person visit the emergency room because the doctor's office or clinic told them to go to the emergency room?
ndocv14a1	Was person's most recent visit to a hospital emergency room for a physical health issue?
ndocv14a2	Was person's most recent visit to a hospital emergency room for a mental health issue?
ndocv14a3	Was person's most recent visit to a hospital emergency room for a substance abuse issue?
NDOCV30	During the past 12 months, did person visit a walk-in or urgent care facility when they were sick or injured?
ndocv15	During the past 12 months did person seek substance abuse treatment?
docv16	What problems did those seeking care experience accessing this care?
ndocv17	During the past 12 months person receive mental health care or counseling?

Medical Expenses	
nrxu01c	How many prescription medicines does person take on a regular basis?
nexp01cat	How much has your family paid out of pocket for prescription medications?
nexp02cat	How much has your family paid out of pocket for dental and vision care?
nexp02acat	How much has your family paid out of pocket for mental health care?
nexp03cat	How much has your family paid out of pocket for all other medical expenses?
nexpsumcat	How much has your family paid out of pocket for all medical expenses including Rx, dental, vision, and mental health care?
Barriers to Accessing Care	
nHCB07	During the past 12 months was there any time person needed routine medical care that was needed but didn't get it because they could not afford it?
nHCB02	During the past 12 months was there any time person needed medical care from a doctor or surgery but didn't get it because they could not afford it?
nHCB04	During the past 12 months was there any time person needed mental health care or counseling but didn't get it because they could not afford it?
nHCB05	During the past 12 months was there any time person needed any type of dental care but didn't get it because they could not afford it?
nHCB05a	During the past 12 months was there any time person needed a diagnostic test but didn't get it because they could not afford it?
nHCB03	During the past 12 months was there any time person needed prescription medicines but didn't get it because they could not afford it?
nHCB05c	During the past 12 months, was there any time that person skipped doses or took smaller amounts of prescription drugs to make them last longer?
nHCB06	During the last 12 months, did person in the household receive any single medical bill for more than \$500 that had to be paid out-of-pocket?
hb10	During the last 12 months, were there times that there were problems paying for medical bills for anyone in your household?
hcb11	In the last 12 months, was anyone in your family contacted by a collection agency about owing money for unpaid medical bills?
hcb09	To what extent are you concerned about being able to afford prescription medicines?
nhcb13_1	During the past 12 months, has your family been unable to pay for basic necessities like food, heat or rent because of medical bills?
nhcb13_2	During the past 12 months, has your family used up all or most of savings because of medical bills?
nhcb13_3	During the past 12 months, has your family had large credit card debt or had to take a loan or debt against the home because of medical bills?
nhcb13_4	During the past 12 months, has your family filed for medical bankruptcy because of medical bills?
NDOCV141	During the past 12 months, was person told by a doctor's office or clinic that they weren't accepting patients with their type of health insurance?
NDOCV142	During the past 12 months, was person told by a doctor's office or clinic that they weren't accepting new patients?
NDOCV143	During the past 12 months, did person have to change health care providers because their health insurance changed or ended?
NDOCV144	During the past 12 months, was person unable to get an appointment at the doctor's office or clinic as soon as one was needed?
NDOCV145	During the past 12 months, was person unable to get an appointment at the doctor's office or clinic at a convenient time?
nBA01	During the past 12 months, has person ever delayed or not gotten physical or mental health care because they could not find a doctor or other health care provider?
ba01a	What type of care did person delay or not get because they could not find a doctor or other health care provider?
NBAMC01	During the past 12 months, has person delayed or not gotten physical or mental health care because they could not find or know a doctor or other health care provider who accepts Medicaid or Dr. Dynasaur?
bamc01	What type of care did person delay or not get because they could not find a doctor or other health care provider who accepts Medicaid or Dr. Dynasaur?
NBAMC04	During the past 12 months, has person delayed or not gotten physical or mental health care because they could not find or know a doctor or other health care provider who accepts their private insurance?
bamc04	What type of care did person delay or not get because they could not find a doctor or other health care provider who accepts their private insurance?
NBAMC05	During the past 12 months, has person delayed or not gotten physical or mental health care because changes in their health insurance resulted in their health care provider no longer accepting their insurance?
bamc05	What type of care did person delay or not get because of the change in their insurance?
Employment	
NMAWD	Is person limited in any way because of physical, mental, or emotional problems?
working	Is person working?
nemp05c	How many hours per week does person usually work at their (main) job?
emp05ftpt	Is person working full or part time? (35 or more hours per week)
nemp0608	On this job, is person employed by a private company or business or a government agency?
emp07	Thinking about the employer person works for, which industry most closely describes the employer's main business?
emp08a	Is person's company headquartered in Vermont or outside the state?
nemp09	About how many people are employed by this employer, at all locations?
emp06	On this job, is person employed by a private company or business or a government agency?
emp08	Does person work for the federal government, state government, local government such as a county or city, or a public school or college?
INSESI	Does the place where person works at offer health insurance as a benefit to any of its employees?
emp15c1	Can dependents be covered under the health insurance offered by person's employer?
emp13	Why was health insurance offered by person's employer coverage not taken?
emp13f	Person has not worked for their employer long enough to qualify for health insurance through their employer or labor union.
emp13g	Person works too few hours to qualify for health insurance through their employer or labor union.
emp13h	The health insurance offered through person's employer costs too much.
emp13i	The health insurance offered through person's employer does not meet needs in terms of what type of health care is covered.
emp15	If person had the option, how likely would person be to enroll in their employer's health insurance plan?

When using your health insurance plan, did you look into what your health plan would and would not cover?
