

# EMERGENCY MEDICAL SERVICES STAKEHOLDER MEETING

## VERMONT REGIONAL EMS COORDINATION STUDY

**ATTENTION EMS SERVICES,  
CITIZENS, MUNICIPAL LEADERS,  
HOSPITALS AND OTHERS! BE  
HEARD! YOUR VOICE ON THE  
FUTURE OF EMS IS IMPORTANT!**

**October 11, 2023**

**6pm - 8pm**

**Brown Public Library  
93 S Main St.  
Northfield, VT**

The State of Vermont, Department of Health, Division of Emergency Preparedness, Response, and Injury Prevention has engaged Emergency Management Matters, LLC (EMM,) to design and implement a Regional Emergency Medical Services (EMS) coordination study culminating in a written report to be submitted to the Vermont State Legislature. This study will focus on identifying issues and provide recommendations for legislative considerations that will sustain and improve the provision of EMS for Vermont.
