

**VERMONT BOARD OF MEDICAL PRACTICE**  
**Minutes of the June 4, 2025, Board Meeting**  
**280 State Drive, Waterbury, VT 05671**  
**Remote via Teams**

**Approved**

- **Call to Order; Call the Roll; Acknowledge Guests:**

Dr. Rick Hildebrant called the meeting to order at 12:04 PM

**Members Present:**

Rick Hildebrant, MD; Rob Ciappenelli; David Coddair, MD; Evan Eyler, MD; Gail Falk; Rachel Gaidys, MD; Matthew Greenberg, MD; Peter Ireland, MD; Suzanne Jones, PA-C; Patricia King, MD; Stephanie Lorentz; Ian Odigie, DPM; Dawn Philibert; Judy Scott; Margaret Tandoh, MD; Robert Tortolani, MD; Scott Tucker.

**Others in Attendance:**

Megan Campbell, AAG; Scott Frennier, Investigator; Tracy Hayes, Public Health Specialist; David Herlihy, Executive Director; Kurt Kuehl, AAG; Justin Sheng, AAG; Ron Hunt, MLOA; Marcy Quinlan, Admin Services

- **Approval of the Minutes of the May 7, 2025, Board Meeting:**

D. Philibert moved to accept the minutes of the May 7, 2025, meeting. Dr. Eyler seconded the motion. The motion passed; opposed: none; recused: none; abstained: none.

- **Administrative Updates (D. Herlihy):**

- The bid process for the VPHP contract was completed. VMS was the only bidder. Staff is working on the contract.
- Staff has received no further information about the possibility that the HSIN system used to distribute documents to members may become unavailable, as was reported to members at the May meeting. Staff will continue to explore other options.

- A mass email was sent to all physician assistants about practice agreement requirements. The message resulted in several emails and telephone calls with inquiries about practice agreements.
  - IAMRA (International Association of Medical Regulatory Authorities) membership application was submitted; it will be complete after review by IAMRA staff and payment of dues.
  - There was another scam targeting the Board's licensees in May. Licensees contacted the Board to report suspicious contacts from callers claiming to be Board investigators. This was the latest of many such incidents in Vermont and around the nation. An email warning was sent to alert all licensees and a notice about this problem was added to the BMP website.
  - D. Herlihy asked members for input on having an informational presentation about medical lasers by a dermatologist to prepare the Board to issue a guidance document on medical laser use. Members indicated interest in having such a presentation. Dr. Hildebrant noted that several years ago a dermatologist had presented to the Board and opined that the use of lasers for procedures on human skin should be considered the practice of medicine and that delegation of tasks using lasers should be limited. He asked if the Board should explore whether there are knowledgeable sources that might offer additional opinions, and justification for those opinions, that may be different from those of dermatologists, so that the Board could consider additional viewpoints. R. Ciappenelli suggested a device manufacturer association might do that. Staff will continue to work on locating a dermatologist and other possible sources of information on lasers.
  - Health Department staff are now reviewing the administrative rules update that was approved by the Board last year. Members were advised that a small number of changes are being submitted to VDH to add to the version submitted last year. A complete list will be provided to the Board at the July meeting. The changes are primarily technical updates to reflect changes such as a revision of an FCVS procedure and a new requirement for those who graduate from Canadian medical schools after July 1, 2025, to obtain an ECFMG certificate to be able to take the USMLE.
- **Other Business**
    - **Newsletter** - Staff will send all licensees a newsletter in coming weeks. A tentative list of items was shared with the Board and members were invited to suggest additional topics. Dr. Tortolani proposed having a statement of gratitude in the

newsletter for the dedicated service of our licensees. The Chair volunteered to prepare such a statement.

- **Advisory Commission on Additional Licensing Models (ACALM) release of draft guidance document and request for comments** – ACALM recently released a draft of a second guidance document that offers more specific recommendations for assessment and supervision of internationally-trained physicians while participating under a provisional license in an alternative pathway to licensure. They have asked for public comments, which will be accepted through July 11. Dr. Hildebrant noted that the July meeting precedes that date, so this will be taken up again at that time. D. Herlihy offered possible comments to share with ACALM. Dr. King noted that the draft includes some challenging tasks for medical boards and that there is no mention of resources.
  
- **Executive Session to Discuss:**
  - Investigative cases recommended for closure
  - Other matters that are confidential by law, if any

D. Philibert made a motion at 12:48 PM to enter Executive Session to discuss confidential matters related to investigations. Dr. Tortolani seconded the motion. The motion passed; opposed: none; recused: none; abstained: none.

- **Open Forum:**

A discussion about the Board's practice of investigating every complaint took place. Dr. King mentioned that the medical boards of many states screen complaints to identify complaints that do not merit investigation. She added that it can become quite a burden on licensees because of the requirement for reporting investigations to many state medical boards, credentialing authorities, and insurance companies. It was noted that the practice reflects Vermont law, which describes the Board's duties to include "Investigate all complaints and charges of unprofessional conduct." (26 V.S.A. § 1353(2)). A change in Vermont law would be necessary for there to be a

change in the practice. S.Tucker commented that he has observed many different police departments that screen internal affairs complaints for merit; some do it well and others do not. It is challenging. No action on the issue was proposed.

- **Adjourn:**

Dr. Hildebrant declared the meeting adjourned at 2:00 PM.
