

went into effect on September 1, 2025 due to the time he has been without a practice monitor approved by the Committee. Respondent's obligation to cease and desist from prescribing opioid medication pursuant to this Agreement will remain in effect even if the existing restriction on his ability to prescribe opioids and benzodiazepines pursuant to MPS 097-0918 is lifted because he obtains a practice monitor approved by the Committee. Respondent shall make any and all efforts to support his patients in finding sources for care that he will be unable to provide pursuant to this Agreement.

5. Respondent recognizes the Board's obligation in all cases to investigate as required and to act expeditiously to protect public health, safety, and welfare. By entering into this Agreement, Respondent does not admit to violating any Rules of the Vermont Board of Medical Practice, Vermont statutes, federal statutes, any policies, and/or guidelines and retains the right to contest any allegations in the event the Board takes further action related to this matter.

6. The parties acknowledge that this Agreement is not a final resolution of this matter, but that it will be enforced until the Board takes further action related to the alleged stipulation violations. Respondent acknowledges that no promises have been made to him regarding the final disposition of this matter or other action of the Board.

7. Respondent agrees that this Agreement sets forth the terms for such voluntary temporary limitation of practice.

8. Respondent acknowledges that he has been offered the opportunity to obtain and receive legal advice and counsel regarding this matter. Respondent agrees and understands that by executing this Agreement he is waiving such right as he may

possess to challenge the jurisdiction and continuing jurisdiction of the Board in this matter, and to a public hearing on any motion that the State might have filed pursuant to 3 V.S.A. §§ 809 and 814. He agrees and understands that by executing this Agreement he is waiving the necessity of any proceedings, findings, and order by the Board pursuant to 3 V.S.A. § 814(c) so as to achieve disposition of this matter. Thus, Respondent voluntarily and knowingly agrees to the terms and conditions herein.

9. Respondent agrees, pending further proceedings, action or order of the Board, to cooperate fully and in good faith with all further investigation of this matter by the Board.

10. Respondent agrees that the Board, in its sole discretion, may consider and approve a petition from Respondent at a later date for modification or relief from the terms and conditions of this Agreement. Respondent understands that if he desires to seek modification or relief, he must first present a written petition to the South Investigative Committee ("Committee") requesting such modification or relief. Respondent agrees and understands that the Committee will make a recommendation to the Board as to whether Respondent's petition for modification or relief should be granted. Respondent understands and agrees that, in order for a petition for relief or modification to be granted, the Board must approve his request for relief or modification and issue an order to that effect.

11. The parties agree that this Agreement does not constitute disciplinary action, However, the parties acknowledge that this Agreement shall be a public document, shall be made part of Respondent's licensing file, and may be reported to other licensing

authorities. Respondent's licensing status will remain "Conditioned" upon approval of this Agreement by the Board.

12. Respondent agrees that he has read and carefully considered all terms and conditions herein and agrees that these may be adopted as an enforceable order of the Board, pursuant to 3 V.S.A. § 809(d) and 26 V.S.A. §1353, and agrees to accept and be bound by these until such time as he may be expressly relieved of these or they are modified, in writing, by an order of the Board.

13. This Agreement is subject to review and acceptance by the Board and shall not become fully and finally effective until presented to and approved by the Board. However, this in no way limits Respondent's obligation to cease and desist from prescribing opioids as stated in paragraphs 3 and 4 above. If the Board rejects any part of this Agreement, the entire Agreement shall be void. The parties agree and request that the Board enter a binding order adopting the terms and conditions set forth herein.

14. Respondent agrees that the Board shall retain jurisdiction in this matter and may enforce as necessary the terms set forth herein, pursuant to 26 V.S.A. §1354(25) or other statutory provisions.
