

## **Ikingire igihe uriko urakura ibisgarira vy'imyanda Hanze inyuma y'Umwuzurire**

Imyuzurira iheruka irashobora kuba yarononye isuku mu bibanza bimwe bimwe mu kibano cacu. Mu bibanza vyo hanze y'inzu, Impanuka zivuye ku bisigarira zishobora kuba isibe rikomeye ku bantu kandi zishobora gutera ibikomere.

Ibitera ubwandumu mazi y'umwuzurira ni gake bitera isibe ku magara. Imigera ntiramba ahantu harasirwa n'izuba kand'имвura irafasha mu kuyikubura. Imiti guriro, ibaye ihari, yoba iri ku rugero ruto cane.

Abana, abantu bagendana ibibazo vyo guhema nabi (akarorero, asima), n'abantu badafise abasoda bakwiye bakingira umubiri ntibakwiye gufasha mu bikorwa vy'isuku inyuma y'umwuzurira.

### **Karaba mu ntoke.**

- Ni vyiza gukaraba imisi yose inyuma yo gukora mu bibanza vyononywe n'umwuzurira.

### **Ambara impuzu zo kwikingira.**

- Ambara ipataro kandi ndende, ibirato vy'imibirikira, n'amashesheti y'iintoke kugira wikingire mu gusuzuma no gukora isuku.
- Nimba hari umukungugu, ambara amarori yo kwikingira n'ipompo yo guhemeramwo N95.

### **Shira ahabona ibimenyetso vy'ubwandumu bw'ubumara.**

- Ubonye ibimenyetso vy'ubwandumu bw'ubumara nk'ibirundo vy'amavuta, guma kure y'ico kibanza hanyuma ubimenyeshe umurwi w'ubutabazi mu vy'isuku mu ntara ya Vermont—
