

## Bristol Rescue Squad

# AEMT

**Job Title:** AEMT

**Location:** Bristol Rescue Squad

**Job Type:** Full-Time, Part-time, and Per Diem Available

**Reports To:** Shift Crew Chief, BRS Chief and Deputy Chief

### Job Description

The **Advanced Emergency Medical Technicians (AEMT)** will provide essential pre-hospital care and transport services as a Crew chief and/or Driver with Bristol Rescue Squad Inc. As a rural EMS provider, the AEMT's advanced clinical skills, adaptability, and sound judgment are critical in delivering lifesaving care while facing unique challenges such as extended response/transport times, limited resources, and unpredictable environments. The AEMT will also help to train and support new crew members.

### Qualifications

- National Registry AEMT Certification; VT AEMT License (or ability to obtain, by date of hire)
- Valid motor vehicle operator license
- AHA BLS Provider CPR
- High School Diploma or equivalent
- 2+ years of EMS experience, with at least 1 year at the ALS level
- Excellent written and verbal communication skills
- Computer skills, including Email (Outlook), Microsoft Office Suite, and SIREN
- ICS 100, ICS 200 and NIMS 700
- *Preferred:* Experience as a Field Training Officer/Preceptor or equivalent

### Responsibilities

- Serve in a supervisory role for their crew/shift
- Operate an ambulance safely and proficiently in an emergent and non-emergent role
- Support the training goals of BRS and BRS trainees assigned to their shift
- Complete Daily Equipment Checks
- Uphold the high ethical, professional, clinical, and personal standards of BRS

### Working Conditions:

- Requires shift work, including nights, weekends, and holidays.
- Frequent lifting, climbing, walking, and extended periods of driving.
- Possible exposure to infectious diseases, bodily fluids, and hazardous materials.

### Pay:

- \$21-\$24/hr based on experience
